FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Notification dated 7th April 1945.

To

All the Treasury Officers.

Circular No. 488—I. A. D. B. II. It has come to the notice of the undersigned that the monthly accounts relating to the Insurance Fund received from the Treasuries are incomplete in many cases. The vouchers in support of debits and credits to the Fund do not sometimes accompany the Treasury Returns; and there have been instances in which the detailed entries relating to these debits and credits have given totals different from those appearing in the Treasury accounts, thereby involving for the Insurance Office much correspondence with the Treasury Officers on the one hand and the Audit Office on the other.

It has also come to notice that the credits relating to the Insurance Fund are not properly classified and included in Treasury Schedules. Misclassifications have been noticed in a number of cases, wherein credits relating to other heads of account, such as, State Provident Fund, Pension Contributions, etc., have been brought under Insurance Fund; and credits relating to Insurance Fund have been wrongly classified under other heads of account, thus necessitating transfer adjustments in the course of Audit. For want of correct

With a view to obviate these irregularities, all Treasury Officers are requested to see that vouchers, chellans (in cases of Cash Receipts) and detailed deduction statements (in cases of premia deducted from pay and salary bills) are invariably attached in support of every debit and credit appearing in the monthly Treasury Schedules, relating to the Insurance Fund and that the credits relating to the Insurance Fund are properly and accurately classified and included in the Treasury figures. They are also requested to ensure at the time of cashing salary and establishment bills, that the corresponding detailed premium deduction statements signed by the drawers of bills are invariably enclosed with the bills in the prescribed form.

All enquiries from the Insurance Department relating to accounts may be promptly attended to, as any delay is likely to cause considerable inconvenience to the Insuring Public.
